Economic Recession: An Opportunity For Nigeria **- Florence Seriki**

The Managing Director and Chief Executive Officer, Omatek Ventures Plc has said that the current Global Economic Recession is an avenue for developing countries such as Nigeria to meet up with developed countries by the time economic recovery sets in.

She made the statement at the Convocation Lecture held on Wednesday, 3rd March, 2009 at the School of Engineering Lecture Theatre, Ikorodu Campus.

Mrs. Florence Seriki explained that since the recession has resulted in drastic slowdown, especially in developed economies such as Asia and America, developing countries can position themselves to move upward alongside developed economies when the economic recession is over.
